EVANSTON HIGHLIGHTS

The Bear River Greenway is a recreational playground in the heart of the city. It offers kayaking, 6 miles of paved pathways, and 10 miles of bike trails.

The Mirror Lake Scenic Byway extends from Evanston, Wyoming to Kamas, Utah. The Wyoming section of the byway provides southbound travelers with a panoramic view of the Uinta Mountains.

Snow, ice and cold mean its time to enjoy the winter in Evanston. You can travel through the Uinta Mountains on a snowmobile, skate under the stars at the ice ponds, go sledding at Bear River State Park and enjoy miles of groomed cross-country ski trails.

EVANSTON, WYOMING

This small, western town offers friendly restaurants, motels, bars, an historic downtown, plenty of recreational activities, and the last intact roundhouse on the original Union Pacific Railroad line.

Located at 7,000 feet in the southwest corner of Wyoming, summer days are normally clear and cool, and with an average of 300 days of sunshine every year, it is a perfect place for hiking, a round of golf, or a pleasant stroll around town.

After a day of outdoor fun you can stop for a massage, enjoy a great meal, and stay in one of the more than 1,000 motel rooms or the comfortable campground.

History buffs will enjoy following the old Mormon Trail or visiting the old railroad buildings, which are being restored. Stop by and see why Evanston's slogan is, "Fresh Air, Freedom and Fun."
